EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

The amendment filed August 8, 2005 is objected to under 35 U.S.C. 132(a) because it introduces new matter into the disclosure. 35 U.S.C. 132(a) states that no amendment shall introduce new matter into the disclosure of the invention. The added material which is not supported by the original disclosure is as follows: "Figure 3 depicts the Figure 1 construction, but with a cover removed so as to show a gel 4."

The new matter will not be entered and has been canceled.

On page 3, immediately after paragraph [0009], the following sentence has been deleted in its entirety:

"Figure 3 depicts the Figure 1 construction, but with a cover removed so as to show a gel 4."

The above change was done to be consistent with the Office action mailed February 23, 2006, which denied entry of Figure 3.
